OLD BUSINESS

Phase II MDOT Bidletting Award

J & N Construction was awarded the bid for Phase II, with a bid of \$697,758.44. This is almost 11 percent over the estimated cost. MDOT is analyzing all the bids due to the overage. The overage will be covered by rebates from the DNR Trust Fund from payments already made (\$50,000) and by a change in the construction plan for the gorge (\$40,000).

A preconstruction meeting will be held at the Road Commission building in early August.

Phase III/IV

On June 4th the trail was staked to Roberts Road and was completed by July 9th. It is ready to be surveyed by OHM.

Signs – Street

Jerry and Street counted 25 places where No Parking signs are needed. All but three can be affixed to existing posts. The signs will read “No Motorized Vehicles on Trail” instead of No Parking. The committee agreed to order 51 signs to get a price break. The signs will be approximately 18” x 18”.

MOTION: Moved by Reh, supported by Janness to order “No Motorized Vehicles on Trail” signs.
